Your individual impact

Thank you for making the world a cleaner place

Because you chose CleanChoice Energy from June 2001 to June 2021
127,210 kWh of clean energy has been added to the grid.

That's the equivalent* of:

19.8

cars taken off the road
for a year

or

198,742

lbs. carbon pollution
avoided

or

1,490

trees planted for 10
years
